

OUR MISSION

To offer customised professional Accounting and Financial solutions and support in a committed and passionate environment, with personal attention, seamless communication and innovative, practical, uncompromised service.

To make life and business easy for as many people as possible, in as many ways as possible by exceeding all expectations and providing the highest level of technological and professional expertise.

OUR VISION

To be a nationally and internationally recognized, respected and trusted, professional Accounting and Financial services company that accomplishes the ultimate balance between outstanding client service and a focus on the personal and family, alongside the financial success of the company.

To be the preferred Accounting, Taxation, Business Advisory, and Financial Management Advisory company for our Clients and Employees alike.

To be Process driven, rather than personality driven.

OUR VALUES

1. Integrity, Accountability and Transparency
2. Knowledge, Innovation and Skill
3. Service, Support and Care
4. Respect, Opportunity and Recognition
5. Leadership, Responsibility and Contribution
6. Keeness, Enthusiasm and Passion

FREE CORPORATE FINANCIAL HEALTH CHECK-UP!

While we are all coming to terms with the new realities brought on by COVID-19, Infinitude Consulting is prepared and willing to help see you through these challenging times by providing:

1. Augmented cash-flow projections
2. Preview into the near-term outlook
3. Tailored guidance on the new governmental initiatives to suit your business

A **Corporate Financial health check-up** is a preliminary step in the company's Financial Planning Process and comprises of analysing all the elements that make up your company's financial health. It is based on various parameters of **your company's finance** and involves analysing **Income, Expenses, Savings, Goals, Assets, Liabilities, etc.**

BUSINESS IMPACT: You get a look at your **firm's overall financial picture** and can identify the best ways to **improve for planning a better future.**

at it. with you

- CGST: where the revenue will be collected by the central government
- SGST: the revenue will be collected by the state government for intra – state sales
- IGST: where the revenue will be collected by the central government for inter- state sales

OUTSOURCED CFO SERVICES

Given the complexity and structure of a business model, some businesses, such as Start-ups and SMEs, may not have the necessary resources to hire an in-house Chief Financial Officer (CFO). Such businesses now have a choice to opt for an Outsourced CFO Service Company like Infinitude Consulting. While In-house CFO salaries are a huge cost burden, including benefits or bonuses, companies usually do not even have enough work to keep a full-time CFO occupied.

Services include:

- Designing / Fine-tuning your Financial strategy
- Cash flow, analysis, planning and restructuring
- Short, medium and long term Forecasting
- Budgeting control
- Variance Analysis
- Board reports
- Facilitating and interpreting Financial Reports
- Cost-cutting policies and manoeuvres

BUSINESS REGISTRATIONS

Services include:

- Private/ Public Limited Company formation
- Limited Liability Partnership Registration
- Partnership Firm Registration
- Trust/ NGO Registration
- Sole-Proprietor Registrations
- PF/ ESI/ PT Registration
- MSME Registration
- Startup India Registration
- Trade mark / Brand Registration

REGISTRATION
